Adapter

Trapezoidal adapter, complete

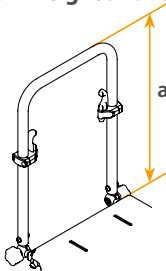

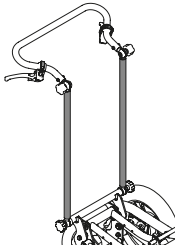

Code 1020027

A technical line drawing of a trapezoidal adapter. The adapter has a central rectangular opening and a mounting bracket on top with two circular holes. It is flanked by two angled support arms, each featuring three circular mounting points. Dimension 'a' is indicated by a vertical orange line on the left, representing the height. Dimension 'b' is indicated by a horizontal orange line at the bottom, representing the width.
