In case of missing specifications, we apply standard measures!

When measurements deviate from the sizes specified for this stander (compare to table below), we customise the stander at your expense.

Bewegungsmuster Patient

Stereotypic movements
(e.g. permanent body rocking)

* Please check whether any adjustments, such as reinforcements to the base frame, are necessary due to stereotypical behaviour! Requirements can be listed under „Notes“ on the last page!

Figure does not comply with the base model and its accessories | Size tolerance of $\pm 3\%$
