

Heads Up

The special headrest system

REHATEC®

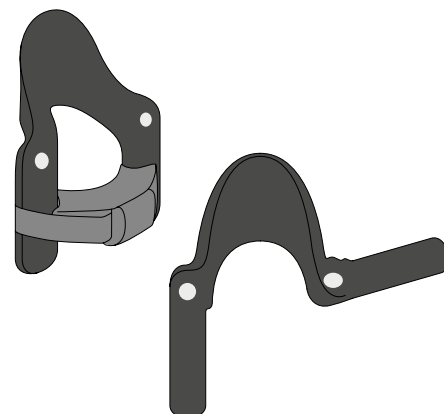

Heads Up headrest

The new special headrest **Heads Up** convinces with its very extensive programme and especially with its swing-out lateral arms.

The swing-out function offers an easy transfer without touching the ears when positioning or moving patient.

Base model

- Special headrests available in four different sizes and collar sizes
- High-quality Lycra covers (neoprene) with foam padding
- Swing-out lateral arms available with different arm lengths
- Chin support for additional stability
