Supports

**Sternum chest support,
lateral supports included**
adjustable for width and height

The diagram illustrates a medical support device consisting of a central sternum support and two lateral supports. The dimensions are labeled as follows: 'a' is the width of the central support; 'b' is the distance between the central support and the lateral supports; 'c' is the height of the central support; 'd' is the width of the lateral supports; 'e' is the height of the lateral supports; and 'g' is the total width of the device when the lateral supports are extended.
